

Retirement Office closed

The Retirement Office is closed to everyone but essential personnel. Most of the staff is telecommuting. They have assured us that benefit payments will continue to be made in a timely manner.

However, they will be unable to print and mail the **Benefit Statement** (aka **data-mailer**) that each of us receives when our monthly retirement allowance is deposited/mailed. This situation will last for **at least** the next two months (May and June statements).

For those on **Direct Deposit**, your retirement allowance will still be sent electronically to your bank as usual, so check your account balance after the first of the month to verify the funds have been deposited.

Picnic postponed

The annual Retiree Picnic, normally held on the **first Saturday in June**, has been postponed to a later date. We hope to be able to reschedule to September, but that may be wishful thinking.

Stay tuned. Most importantly, stay safe!
